## HD ready LCD TV

The AV933/934 series is a sound choice if you're looking for a quality TV for a compact living space or second room. The HD ready TV comes with built-in digital tuners, so you won't need an additional box to watch digital TV. Two HDMI inputs make it easy to connect to other digital entertainment devices while the USB port lets you plug in a hard disk drive, or USB memory stick, to enjoy all your videos, music and pictures in HD quality.

HD ready

An HD ready TV is able to display high-definition images from any high-definition source in 720p resolution for increased contrast, sharper details and vibrant colours.

DUALTUNER

No need to connect an additional box. With built-in digital tuners you can access all your favourite digital channels without extra equipment.

USB

USB connectivity provides easy TV playback of the videos, music and photos on your external hard disk or USB memory stick.

HDMI
HIGH-DEFINITION MULTIMEDIA INTERFACE

With two HDMI ports, you can connect your add-on HD devices such as games consoles, Blu-ray players or Smart TV boxes.

Quick and easy connection to your laptop means your TV can double as a PC monitor. Select the gaming mode on the TV for a great gaming experience.

Product design and specification subject to change or modification without notice. Specification correct at time of publication. Please check specification with retailer prior to purchase.
